Experience

Huawei Remote
Full Stack Developer Intern Feb 2024 – May 2024

- Built a full-stack e-commerce platform using React.js, Nest.js, and MongoDB.
- Implemented secure authentication with JWT-based registration and login.
- Developed product categorization, filtering, and management features to improve UX.
- Integrated Stripe payment gateway for seamless online transactions.
- Designed shopping cart and purchasing workflows aligned with clean architecture principles.
- Wrote end-to-end tests with Cypress to ensure system reliability.

Huawei İzmir, Turkey
Full Stack Developer Intern Aug 2023 (1 month)

- Developed a cross-platform note-taking app using React Native, Node.js, and MongoDB.
- Implemented full CRUD functionality for note management.
- Integrated Huawei Account Kit for secure user authentication.
- Designed a responsive, user-friendly UI optimized for mobile platforms.
- Built RESTful APIs to manage client-server data flow efficiently.
